Third Party Lender - SBA 504 Debt Refinancing Checklist:

- _____ Debt was incurred not less than 6 months prior to the day of the 504 application for the benefit of the small business concern has been collateralized by Eligible Fixed Assets.
- _____ Existing federal debts including 7(a) and 504 loans are eligible to be refinanced. For 7(a) loans, the existing lender must provide documentation that they are unwilling or unable to modify the current payment schedule. In the case of Same Institution Debt, if the Third Party Lender is the 7(a) lender, the loan will be eligible for 504 refinancing only if the lender is unable to modify the terms of the existing loan because a secondary market investor will not agree to modified terms. If including a 504 in the refinance, the entire TPL loan and SBA 504 loan must be included in the project.
- _____ The refinancing of federally-guaranteed loans will provide substantial benefit to the borrower. The new loan amount will be at least 10% less than the new payment. The refinancing will provide better terms, or rate of interest than the existing debt. If a balloon balance comes due within 5 years or less of the SBA application, the presence of the balloon payment automatically meets the "substantial benefit test".
- _____ Small business concern must have been in business for two years prior to the submission of the application. A partial ownership change may be considered a new business if it results in new or unproven management and increased debt.
- _____ Provide copies of note, recorded mortgage, security agreement, UCC's, settlement statements, and any other collateral documentation securing the existing debt. If loan was refinanced, obtain copies of original loan documents (note, mortgage, security agreement, UCC's, settlement statement, etc).
- _____ If there are multiple refinances throughout the history of the loan, then provide copies of these loan documents (note, mortgage, security agreement, UCC's, settlement statement, etc.) Note: SBA will expect the lender, if it is the original lending institution, to produce the necessary documentation.
- _____ If the Commercial Real Estate value supports the debt refinance, SBA can waive any liens on M&E purchased with original loan proceeds.
- _____ Documentation to prove substantially all (85% or more) of the proceeds of the original loan being refinanced must have been used for 504 eligible purposes; real estate purchase/improvement or long term equipment. The remaining amount (15% or less) was incurred for the benefit of the small business.
- _____ The small business must currently occupy at least 51% of the property.
- _____ 12 month payment transcript. Transcript should include bank name, borrower name, date payment is due, date payment is posted, amount of payment, original balance, remaining balance, late fees, etc. For same institution debt - transcript must be provided for the entire loan history.
- _____ Current payoff statement on loan(s) being refinanced.
- _____ Appraisal is not required at the time of application. Appraisal must be dated within one year of application. LTV max is 90% on non cash out refinance projects. (SBA must be listed as intended users.)
- _____ SBA allows Borrower's equity in equipment to be counted towards Borrowers Contribution if the debt was originally used to acquire the specific equipment.

- _____ Special Purpose Project: At least 15% equity from borrower (As of 8/3/2020, reduced requirement to 10% until end of economic recession).
- _____ Bank commitment letter stating reason will not make the loan without SBA participation. Additionally, the Bank certifies it has no knowledge of default by the borrower on their existing financing nor knowledge or information that would indicate the likelihood of a default (MBFC will provide SBA form).
- _____ Bank must be in a 1st lien position and SBA in a 2nd lien position.
- _____ The TPL loan needs to be at least as much as the 504 loan. SBA loan cannot be more than 40% of the project/Appraised Value.
- _____ For CASH OUT REFINANCE: If borrower is utilizing equity to finance "Business Operating Expenses" (BOE):
 - _____ Max LTV is 85%. Business Operating Expenses portion cannot exceed 20% of appraised value.
 - _____ Verify BOE are due for payment within 18 months of the application date.
 - _____ Provide documentation of BOE such as invoices, bills, payroll receipts, cancelled checks, etc.

- _____ Amount eligible for refinancing must be no more than 100% of the cost of expansion.
- _____ Debt was used to finance SBA-eligible assets (as described above), and is collateralized by fixed assets.
- _____ Debt was incurred for the benefit of the small business.
- _____ Existing 7(a) and 504 loans are eligible to be refinanced. For 7(a) loans, the existing lender must provide documentation that they are unwilling or unable to modify the current payment schedule. In the case of Same Institution Debt, if the Third Party Lender is the 7(a) lender, the loan will be eligible for 504 refinancing only if the lender is unable to modify the terms of the existing loan because a secondary market investor will not agree to modified terms. If including a 504 in the refinance, the entire TPL loan and SBA 504 loan must be included in the project.
- _____ The refinancing will provide substantial benefit to the borrower. The new loan amount will be at least 10% less than the new payment. The refinancing will provide better terms, or rate of interest than the existing debt. The presence of any balloon payment automatically meets the substantial benefit test.

- _____ MBFC will provide SBA form of commitment letter with language specific to permanent debt refinance.

Authorities and Purpose for Collecting Information: SBA is collecting the information on this form, including social security numbers and other personal information, to make a character and credit eligibility decision in connection with you or your company's application for SBA assistance. SBA may also use social security numbers for the purpose of collecting and reporting on any delinquent fees or other amounts owed SBA.

Under the provisions of 31 U.S.C. § 7701, the applicant business and any guarantor of the loan are required to provide their social security numbers, or other taxpayer identification numbers, in order to do business with SBA. Failure to provide this information would affect your ability to obtain a 504 loan. For other individuals signing this application, the submission of the social security number is voluntary and failure to provide your social security number may not affect any right, benefit or privilege to which you are entitled. However, in evaluating whether the applicant satisfies the criteria for a 504 loan under section 501 et seq. of the Small Business Investment Act, 15 U.S.C. § 695 et seq., SBA considers whether the applicant and each of its Associates possess good character. In making this determination, SBA considers the person's integrity, candor, and criminal history if any. SBA is authorized, through section 308(f) of the Small Business Investment Act, to verify your criminal history, or lack thereof, pursuant to section 7(a)(1)(B) of the Small Business Act, 15 U.S.C. § 636(a)(1)(B). In addition, for all forms of assistance, SBA is authorized to make all investigations necessary to ensure that a person has not engaged in acts that violate or will violate the Small Business Investment Act, see 15 U.S.C. § 687b(a). In conducting the criminal background check, SBA also uses your social security number to distinguish you from other individuals with the same or similar name or other personal identifier. This use is permitted under Executive Order 9397.

Routine Uses: Some of the information collected may be checked against criminal history indices of the Federal Bureau of Investigation. When the information collected indicates a violation or potential violation of law, whether civil, criminal, or administrative in nature, SBA may refer it to the appropriate agency, whether Federal, State, local, or foreign, charged with responsibility for or otherwise involved in investigation, prosecution, enforcement or prevention of such violations. *See* SBA's Privacy Act System of Records, at 74 Fed. Reg. 14890 (2009) (as amended from time to time) for other published routine uses for the collected information.

Application for Section 504 Loans

Section Three: Statements Required by Law and Executive Order and Certifications

(Signed by the Applicant and Associates)

Federal Funding Accountability and Transparency Act of 2006, as amended (31 U.S.C. 6101 Note) - SBA routinely publishes information related to this loan application (e.g., name and address of borrower, amount of loan) on USAspending.gov, as required by the Federal Funding Accountability and Transparency Act of 2006, as amended.

Right to Financial Privacy Act of 1978 (12 U.S.C. § 3401 et seq.) – As required by the Right of Financial Privacy Act of 1978, SBA provides this notice of SBA's right to access financial records held by financial institutions that are or have been doing business with you or your business, including any financial institutions participating in a loan or loan guarantee. The law provides that SBA shall have a right of access to your financial records in connection with its consideration or administration of assistance to you in the form of a Government loan or loan guaranty agreement. SBA is required to provide a certificate of its compliance with the Act to a financial institution in connection with its first request for access to your financial records, after which no further certification is required for subsequent accesses. The law also provides that SBA's access rights continue for the term of any approved loan or loan guaranty agreement. No further notice to you of SBA's access rights is required during the term of any such agreement.

The law also authorizes SBA to transfer to another Government authority any financial records included in an application for a loan, or concerning an approved loan or loan guarantee, as necessary to process, service or foreclose on a loan or loan guarantee or to collect on a defaulted loan or loan guarantee. No other transfer of your financial records to another Government authority will be permitted by SBA except as required or permitted by law.

Debt Collection Act of 1982 and Debt Collection Improvement Act of 1996 (5 U.S.C. § 5514 note and 31 U.S.C. § 3701 et seq.) – These laws require SBA to aggressively collect any loan or other payments which become delinquent. SBA must obtain your taxpayer identification number when you apply for a loan. If you receive a loan, and do not make payments as they come due, SBA may take one or more of the following actions:

- Report the status of your loan(s) or other debt owed to SBA to credit bureaus
- Hire a collection agency to collect your loan or other delinquent debt
- Offset your income tax refund or other amounts due to you from the Federal Government
- Suspend or debar you or your company from doing business with the Federal Government
- Refer your loan or other delinquent debt to the Department of Justice or other attorneys for litigation
- Foreclose on collateral or take other action permitted in the loan instruments
- If you default on an SBA loan and fail to fully reimburse SBA for any resulting loss, refer you to the computer database of delinquent Federal debtors maintained by the Department of Housing and Urban Development, or other Federal agency, which may disqualify you from receiving financial assistance from other Federal agencies. In addition, unless SBA is reimbursed in full for the loss, you will not be eligible for additional SBA financial assistance.

Flood Disaster Protection Act (42 U.S.C. § 4012a) – Under this Act, and its implementing regulations, SBA is prohibited from providing financial assistance in a designated floodplain unless Federal flood insurance is purchased as a condition of the loan. Failure to maintain the required level of flood insurance makes the Applicant ineligible for any future financial assistance from SBA under any program, including disaster assistance.

Executive Orders 11988 and 11990 -- Floodplain Management and Wetland Protection (42 F.R. 26951 and 42 F.R. 26961) -- SBA discourages settlement in or development of a floodplain or a wetland. This

statement is to notify all applicants for SBA assistance that such actions are hazardous to both life and property and should be avoided. The additional cost of flood preventive construction must be considered in addition to the possible loss of all assets and investments due to a future flood.

Occupational Safety and Health Act (29 U.S.C. § 651 et seq.) – The Occupational Safety and Health Administration (OSHA) can require businesses to modify facilities and procedures to protect employees. Businesses that do not comply may be fined and required to abate the hazards in their workplaces. They may also be ordered to cease operations posing an imminent danger of death or serious injury until employees can be protected. Signing this form is certification that the applicant, to the best of its knowledge, is in compliance with the applicable OSHA requirements, and will remain in compliance during the life of the loan.

Civil Rights Legislation – All businesses receiving SBA financial assistance must agree not to discriminate in any business practice, including employment practices and services to the public, on the basis of categories cited in 13 C.F.R., Parts 112, 113, and 117 of SBA Regulations. This includes making their goods and services available to handicapped clients or customers. All business borrowers will be required to display the "Equal Employment Opportunity Poster" prescribed by SBA.

Equal Credit Opportunity Act (15 U.S.C. § 1691 et seq.) – The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit Applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided that the Applicant has the capacity to enter into a binding contract); because all or part of the Applicant's income derives from any public assistance program, or because the Applicant has in good faith exercised any right under the Consumer Credit Protection Act. The Federal agency that administers compliance with this law concerning this creditor is the Federal Trade Commission, Equal Credit Opportunity, Washington, D.C. 20580.

Executive Order 11738 -- Environmental Protection (38 F.R. 25161) – The Executive Order charges the SBA with administering its loan programs in a manner that will result in effective enforcement of the Clean Air Act, the Federal Water Pollution Act and other environmental protection legislation. SBA must, therefore, impose conditions on some loans. By acknowledging receipt of this form and presenting the application, the Associates of all small businesses borrowing \$100,000 or more in direct funds stipulate to the following:

- That any facility used, or to be used, by the subject firm is not cited on the EPA list of Violating Facilities.
- That subject firm will comply with all the requirements of Section 114 of the Clean Air Act (42 U.S.C. 7414) and Section 308 of the Water Act (33 U.S.C. § 1318) relating to inspection, monitoring, entry, reports and information, as well as all other requirements specified in Section 114 and Section 308 of the respective Acts, and all regulations and guidelines issued thereunder.
- That subject firm will notify SBA of the receipt of any communication from the Director of the Environmental Protection Agency indicating that a facility utilized, or to be utilized, by subject firm is under consideration to be listed on the EPA List of Violating Facilities.

Lead-Based Paint Poisoning Prevention Act (42 U.S.C. § 4821 et seq.) – Borrowers using SBA funds for the construction or rehabilitation of a residential structure are prohibited from using lead-based paint (as defined in Federal regulations) on all interior surfaces, whether accessible or not, and exterior surfaces, such as stairs, decks, porches, railings, windows and doors, which are readily accessible to children under 7 years of age. A "residential structure" is any home, apartment, hotel, motel, orphanage, boarding school, dormitory, day care center, extended care facility, college or other school housing, hospital, group practice or community facility and all other residential or institutional structures where persons reside.

Authorities and Purpose for Collecting Information: SBA is collecting the information on this form, including social security numbers and other personal information, to make a character and credit or other eligibility decision in connection with you or your company's application for SBA assistance. SBA may also use social security numbers for the purpose of collecting and reporting on any delinquent fees or other amounts owed SBA, where applicable.

For purposes of SBA's financial assistance programs, 31 U.S.C. 7701 requires loan applicants and guarantors, or any indemnitor of a surety bond to provide their social security numbers, or other taxpayer identification numbers. Failure to provide this information would affect your ability to obtain an SBA loan or bond. For other individuals signing this form, the submission of the social security number is voluntary and failure to provide your social security number may not affect any right, benefit or privilege to which you are entitled. However, your social security number or other taxpayer identification number helps SBA to distinguish you from other individuals with the same or similar name or other personal identifier. This use is permitted under Executive Order 9397. Personal information collected is protected to the extent permitted by law, including the Freedom Information Act, 5 U.S.C. 552, and the Privacy Act 5 U.S.C. 552. Such information is maintained pursuant to SBA's Privacy Act System of Records at

<https://www.sba.gov/sites/default/files/2020-01/sba-sorns.pdf>.

Right to Financial Privacy Act of 1978 (12 U.S.C. 3401) -- This is notice to you as required by the Right to Financial Privacy Act of 1978, of SBA's access rights to financial records held by financial institutions that are or have been doing business with you or your business, including any financial institutions participating in a loan or loan guaranty. The law provides that SBA shall have a right of access to your financial records in connection with its consideration or administration of assistance to you in the form of a Government guaranteed loan or guaranteed bond. SBA is required to provide a certificate of its compliance with the Act to a financial institution in connection with its first request for access to your financial records, after which no further certification is required for subsequent accesses. The law also provides that SBA's access rights continue for the term of any approved loan guaranty agreement or any approved bond agreement. No further notice to you of SBA's access rights is required during the term of any such agreement. The law also authorizes SBA to transfer to another Government authority any financial records included in an application for a loan or bond guarantee, or concerning an approved loan or loan guarantee or bond guarantee, as necessary to process, service or foreclose on a loan guaranty or collect on a defaulted loan guaranty, or to process or service the bond guarantee. No other transfer of your financial records to another Government authority will be permitted by SBA except as required or permitted by law.

Freedom of Information Act (5 U.S.C. 552)

This law provides, with some exceptions, that SBA must supply information contained in agency files and records to a person requesting it. Information about approved loans that will be automatically released includes, among other things, statistics on our loan programs (individual borrowers are not identified in the statistics), and other information such as the names of the borrowers (and their officers, directors, stockholders or partners), the collateral pledged to secure the loan, the amount of the loan, its purpose in general terms, and the maturity. With respect to SBA's bond guarantee program, SBA will release, among other things, statistics on the Surety Bond Guarantee (SBG) programs and other information such as the names of small businesses (and their officers, directors, stockholders or partners) and the amount of the bond guarantees. Proprietary data on a borrower would not routinely be made available to third parties. All requests under this Act are to be addressed to the nearest SBA office and be identified as a Freedom of Information request.
